WHO WE ARE

Welcome to Little Italy

Nestled in the lively Leicester Square of London, Little Italy brings the warmth, flavours, and spirit of Italy to Central London. We provide a relaxed and inviting dining atmosphere throughout the year. Our pizzas are hand-stretched with dough that has been proofed for at least 24 hours, resulting in a light, crispy crust. Meanwhile, our generous pasta dishes and Italian classics are crafted using high-quality Italian ingredients and fresh produce.

Perfect for Every Occasion. Whether you're part of a family gathering, student tour, FIT travellers, or celebrating a special event, Little Italy is ideally located for those exploring the West End. Enjoy dining in our vibrant restaurant or soak up the atmosphere on our spacious, heated terrace, open all year round.

With friendly service, adaptable menus, and a wealth of experience catering to groups of all sizes, we make group dining in Central London straightforward, enjoyable, and unforgettable.
