All information correct at time of printing - please scan the QR code for up-to-date information as products may change, and this printed menu is only a guide. All of our dishes are prepared and cooked in open kitchens where allergen ingredients (e.g. nuts, flour, gluten etc) are commonly used, and we therefore cannot guarantee our dishes will be free from all traces of these products. Where an item is listed as GFO, this means we can remove the gluten items from this dish, however we cannot guarantee our dishes will be free from all traces. All dishes may contain ingredients not listed on this printed menu. Due to the way we marinate the chicken, there is sometimes a slight red colour to the meat, please note that the chicken is fully cooked. Chicken, fish and duck dishes may contain bones. All prices include VAT at the current rate. Adults need around 2000 Kcal per day.
